Step 2:

Going to QUT BlackBoard will open up the QUT Login page. Complete the following sub-steps:

1) Select **Non-QUT** tab, then Australian Access Federation (AAF) - Continue.

2) Choose the AAF Virtual IdP from the drop down list.

3) Go through the AAF IdP stuff accepting everything – each Uni will have their own accept rules/policies.

4) After you complete the AAF Virtual Home Login - You will get back to QUT Login eventually.

Step 3:

Accept the Terms of Use and Confirm. You may need to scroll down.

Step 4:

Accept the release of attributes to QUT. Agree and Confirm. You should then be able to access content within BlackBoard – Go to tab called API BlackBoard Home.
